I am seeking either a part-time or full-time employment in a retail sales setting or any environment, so that I may gain new knowledge and experience, while implementing my own set of skills to greatly benefit both my employer and myself.

ABILITIES

I work well with others and I am very cooperative. I am well versed in both in English and Hmong language and writing knowledge, making me a good bilingual translator. I am a very calm and responsible individual who focus all of my dedication and concentration on the assigned tasks, so that I may complete them with accuracy and punctually.

Authorized to work in the US for any employer
