IT Specialist/Analyst - Edmonds Community College

Marysville, WA - Email me on Indeed: [indeed.com/r/Jeff-Graham/5b2dee9139587dfa](https://www.indeed.com/r/Jeff-Graham/5b2dee9139587dfa)

Seeking an opportunity to use my passion for software development, concurrency, and network communications to contribute meaningfully to a team.

Authorized to work in the US for any employer

WORK EXPERIENCE

IT Specialist/Analyst

Edmonds Community College -

2008 to Present

Developed and deployed Pythonbased web application with responsive UI for tracking millions of dollars in technology assets over hundreds of discrete locations.

- Integrated thirdparty enterprise IT management systems with inhouse software tools
- Created Windows services to interface with IP connected embedded hardware devices
- Automated ethernet frame capture for identifying LLDP/CDP information from network switches
- Lead a team of technicians providing customer focused technology solutions
- Provided starttofinish project management for new technology deployments

EDUCATION

Bachelor of Science in Computing and Software Systems

University of Washington - Bothell, WA
