WORK EXPERIENCE

Web Developer

Solvis Staffing Services, Inc.   -   Escondido, CA - September 2016 to Present

Web Developer duties include, but are not limited to maintaining company's web design on a daily basis (develop, write and edit web pages), analyze and test all links to ensure accuracy, accessibility and user-friendliness.

Community Manager

Vista Sun Apartments   -   Vista, CA - July 2013 to August 2016

My duties as the Community Manager were to handle all business operations on behalf of the corporate office, problem solve, supervise a staff of four, and maintained all asset values.

Assistant Manager

Dorado Plaza Apartments   -   San, CA - April 2012 to July 2013

My duties as an Assistant Manager were to manage various tasks of the community pertaining to rentals, tenant communication, and repairs or maintenance on behalf of the community manager in her absence.

EDUCATION

Bachelor of Science in Computer Science, with a Software and Mobile Applications Development emphasis

Stevens-Henager College   -   Salt Lake City, UT
February 2012 to October 2015
